

Scholarships 2021

Donated by the TEACHERS OF SOOKE DISTRICT

The members of the Sooke Teachers' Association are proud to offer six scholarships to the students of School District # 62. These will be available to graduating students attending full-time post secondary school. Scholarship awards will be in the amount of \$1,000.

Five of the scholarships offered by the Sooke Teachers' Association are named after one of our Past Presidents who dedicated themselves to the Union, their colleagues, and their students. They believed strongly in education, respect, and the celebration of students who lead by example. The sixth scholarship will be reserved for an Aboriginal student and is named in honour of Loretta Deutscher, who taught and advocated for recognition of our Aboriginal students.

This year the scholarships available are:

The Kathleen MacKinnon (1992-1995)

The John Bergbusch (1982-1985)

The Laurie Tighe (1995-1997)

The Bronwyn Taylor (1988-1992)

The Terry McKellar (1980-1982)

The Loretta Deutscher Scholarship

Please note: Three of these awards are reserved for students whose parents are current members of the Sooke Teachers' Association and who may not actually attend a Sooke District school. The specific awards given to children of STA members will vary depending on the qualifications and intentions of the applicant. The Loretta Deutscher scholarship is reserved for a deserving Aboriginal student. In both cases if no one qualifies, then the award will be given based on the following criteria.
